Invitation for Bid #57326
Snow and Ice Removal

Addendum #1
November 14, 2011

THIS ADDENDUM TO THE SPECIFICATION IS ISSUED TO MODIFY, CLARIFY OR CORRECT THE ORIGINAL DOCUMENTS AND IS HEREBY MADE A PART OF SAID DOCUMENTS.

Please note that the PER-INCH PER PROPERTY RATE in the bid documents is based off of a 50 inch snow fall season. This is why the example in the Specifications, and re-stated below, has the bid amount divided by the 50 inches.

Example:

\$50 bid/50 inches = \$1.00 per inch of snow removal at each property. Each time snow removal is required at a property, it will be billed at \$1.00 per inch. A 4 inch snow fall would equate to a \$4.00 snow removal at each property.

\$100 bid/50 inches = \$2.00 per inch of snow removal at each property. Each time snow removal is required at a property, it will be billed at \$2.00 per inch. A 4 inch snow fall would equate to a \$8.00 snow removal at each property.

Question and Answer:

Question 1: Could I get the bid results from last year?

Answer 1: The PER-INCH PER PROPERTY RATE of the current contract \$120.00.
